

LAKELANDS HOSPICE

ZIP WORLD CHALLENGE

Saturday 6th July 2019

Zip World Velocity is the fastest zip line in the world and the longest in Europe. This adventure takes you on the Little Zipper to build your confidence before you journey up the quarry on our famous red trucks. Take in the stunning views from the Big Top of Velocity, out towards Anglesey with views of the Isle of Man on a clear day! You will then descend the Big Zipper over the quarry lake often reaching speeds in excess of 100mph.

Raise just £150 and Experience the fastest Zip Line in Europe To book your flight time contact Paul on 01536-747755 or email paulmarlow@lakelandsdaycarehospice.org.uk

To add to the experience Lakelands offers an optional **FREE** guided climb to the summit of Snowdon which is a short drive from the Zip World site, to take advantage to experience the highest mountain in Wales just let Paul know when paying your deposit

Velocity is “The Nearest Thing to Flying”! Home to the longest zip line in Europe and the fastest in the world

This adrenalin fueled attraction offers visitors a totally unique experience. Speeds in excess of 100mph can be reached.

Velocity has two pairs of zip lines. The experience starts with the ‘Little Zipper’. This is a great introduction and confidence builder with a maximum speed of around 45mph. The journey takes riders into the heart of the historic quarry where the off-road journey to the Big Zipper commences.

The journey up the mountain in a specialized off-road vehicle is magnificent. The Quarry Tour involves a journey through, what was once, the largest slate quarry in the world. Around every corner is evidence of an industrial past which our professional drivers bring to life and they will astound you with their knowledge and captivating stories.

Where the Quarry Tour ends, the Big Zipper begins. This is a mile-long zip line that provides riders with a birds-eye view of the historic quarry and the spectacular North Wales coastline and beyond.

Participants will be supplied with a safety helmet, goggles and a flying suit that is wind and shower proof.
